

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Maintain diversity of media ownership! The media is the glue that helps us communicate with us. If we loose the representativeness embodied by multiple media owners we will be doomed as a society.
